- §1 HDMO Head of the Student Council Christopher Gärtner declared the meeting opened at 12:18.
- §2 Time and Place Time and place was approved.
- §3 Approval of Agenda The meeting **decided**
to approve the agenda
- §4 Approval of Last Meeting Protocol The meeting **decided**
to approve the protocol from **2026-02-11**.
- §5 Information from external Representatives No information from external representatives
- §6 Finished Courses CEQ for automatic control, *FRTN05*: E likes the course more than D, likely due to the course focus on mathematics.
- §7 Ongoing Courses
- C2:
Computer security, *EITA25*: The course is not generally liked due to a multitude of reasons. One reason is due to students not being ready to restructure their studies to accommodate a course without a final exam. Time has to be scheduled differently which is particularly problematic when you can not pick your own group. Sentiment around the course is shared with D3.
 - C3:
Nothing special of note.
 - D3:
Computer organization, *EITF70*: Possibly still problematic due to technical issues which can hopefully be ironed out in the future.
 - VR/AR:

Nothing special of note.

- Other courses:

Nothing special of note.

§8 Dismissal of
Volunteers

No one to dismiss.

§9 Nominations and
other Electoral
matters

The following positions are still vacant:

- Class Representative C3
- Class Representative VR/AR

If you want to run for any of the positions, it is possible to do so during any ordinary SRD-meeting.

No nominations or other Electoral matters.

§10 Other Matters

SRX meeting: Nominations for the Pedagogical prize for the D guild can be sent in. Anyone can nominate a teacher along with a small motivation.

'Sittning', dinner party, for students who fill in the CEQs, is a proposal discussed within SRX. Nothing concrete has been decided however. Regardless, *please fill out your CEQs!*

Censoring CEQs as an international student can be difficult as there is not sorting according to language. Improvement suggestions of the CEQ system will be forwarded to the person responsible.

Speak Up days will be arranged on upcoming Tuesdays 8-17 in the entrance to the E-building. The idea is to let students voice their opinions of their studies in a less formal setting.

§11 HDMC

Head of the Student Council Christopher Gärtner declared the meeting closed at 12:38.
