- §5 Information from external Representatives
EIT: Nothing to report.
The Student Well-being Committee: A meeting between different Well-being Committees discussed the importance of complaining whenever there are issues. One issue which is not always reported is when exams are returned late.
Program Board: Next week, the ordinary SRD meeting will be replaced by a visit from the program board. Consider attending if you want to discuss anything regarding the C or D programs. Especially interesting would be if students who were admitted late or students who want to switch from C to D voice their opinions.
- §6 Finished Courses CEQ meeting Communication Systems, *EITA55*: Everything went well.
- §7 Ongoing Courses
- C2:
Computer Security, *EITA25*: Class Reps. have received complaints regarding the TAs acting rudely towards the students while not providing clear answers. Maja Blomgren will contact people higher up to see if the issue can be resolved.
 - D2:
Computer Organization, *EITF70*: The exam still has room to

be improved. It is already better than previously iterations however.

- Other courses:

Nothing special of note.
